## SPOTTED

Bipasha Basu working out religiously at Gold's Gym in Bandra, Mumbai. Spotting stars at the gym is not a big deal nowadays but what was interesting to see was that Bipasha had tied a scarf on her low-neck top just in order to completely cover herself. But nobody was looking so why the fuss?

## Birthday Bumps

John Abraham turned a year older (and more delectable) and decided to celebrate his birthday with those responsible for that sizzling body. Armed with a cake, and Bipasha Basu, he blew out candles surrounded by trainers and adoring fans at his gym. We'll bet the cake was low-cal.
