## Get fit and fab

A suburban hotel played host to a beauty and fitness pageant on Friday evening.

As befitting its title, there were plenty of fit and fabulous people around, beginning with the lovely Mandira Bedi. In a vibrant patterned dress that was more than a match for her striking personality, Mandy seemed like the poster child for yummy mummies. Also spotted at the do was a remarkably svelte Tulip Joshi (whatever happened to her movie career?). Dance guru Terrence Lewis and Ashmit Patel were some of the other celeb guests. An attendee was heard remarking that Ashmit, for a change, seemed to be okay with someone else hogging the limelight. Naughty, naughty!
