GOLD'S GYM

Date: - 25th March 2009

Dorian 'N' Dino

We would like to call this the picture of **Dorian Gray**. Unfortunately though, it is Dorian Yates. Six-time winner and former Mr Olympia Dorian Yates, a professional bodybuilder was at the **Gold's Gym** in Bandra (W) on Monday evening, to promote a nutrition product to hit Indian shelves in two months time. General cacophony reigned at the gym, as Dorian Yates was late(s). Hmmm, we like that rhyme, by half-an-hour. The gym erupted in applause when Yates walked in. An hour later, **Dino Morea** appeared, a great example of Bollywood's obsession with hot bods and Popeye-biceps, and soon it was a fusillade of flashes as cameras popped everywhere. A D & D evening for the workout set. PIC/ RANE ASHISH
